158 RIDGE ROAD, GROSSE POINTE FARMS, MI 48236

Aurelie joined The Helm in April 2021 after many years in the medical insurance business. She is an Information & Assistance Specialist with a focus on Medicare. In fact, Aurelie is a certified Michigan Medicare/Medicaid Assistance Program Counselor.

“I am proud to be a part of such a wonderful organization! Anyone can contact me regarding their own Medicare coverage or for coverage for family members or friends. I am here to simplify the transition into Medicare. Medicare can be overwhelming with all the different plans to choose from, along with what is and is not covered. It brings me pure joy to watch clients go from frustration and confusion to fully understanding their benefits.”

Aurelie is a home-grown Grosse Pointer. She was born and raised on Washington Road and is a graduate of St. Paul Catholic School and Grosse Pointe South High School. She earned a bachelor’s degree in Personnel Management/Industrial Relations from Ferris State University.

Married, with three adult children (all products of Grosse Pointe schools as well!) Aurelie loves the outdoors. “I am happiest when I am cycling, walking, hiking, or kayaking with my husband, Scot.”
