

# FROM THE EXECUTIVE DIRECTOR INCLEMENT WEATHER POLICY

January 17, 2024

For many years, The Helm has followed the Grosse Pointe Public School System for weather closings. As of now, we will decide weather closures on a case-by-case basis.

During the recent cold snap, our members and guests shared with us their desire to continue to be able to come to The Helm. We know we are an essential part of your day and are determined to be open for you as much as possible.

With that said, there may be times classes and activities will be canceled if an instructor or facilitator is unable to make it in. It is important you check our website and social media pages for closings. If you have any concerns that we could be closed, please call 313.882.9600 before heading out. Someone will be available to answer your call or you will hear a recorded message if we are closed. Thank you for your understanding.

We cannot call each and every participant about closures, so it is important you check the website or social pages or call us.

Here's hoping for a mild winter!

If The Helm is closed due to weather, PAATS buses are not running and Meals on Wheels will not be delivered.
