

Message from The Helm Board of Directors

The Helm Board of Directors is pleased the City of Grosse Pointe, Grosse Pointe Farms, Grosse Pointe Park, Grosse Pointe Woods and Harper Woods have joined 72 of 83 Michigan counties and numerous municipalities in creating a reliable funding source for essential services for seniors. Thank you for your support. The approved millage helps make it possible to continue to provide essential services and allows for limited expansion of services.

The next step is for leaders from the cities that approved the millage to formalize an agreement to administer the millage funds and keep the respective communities apprised of how millage funds are spent. This Active Adult Commission will be determining what new senior programs will be implemented and how residents of Grosse Pointe Shores will receive and pay for senior services.

The Helm will continue its traditional fundraising efforts to support our seniors and their families.
